

# Community Outreach

St. George's Outreach programs are led by dedicated members who strive to share their collective time, talent, treasure and commitment with local, national and world communities.

*Habitat for Humanity*

*Corazon house build in Mexico*

We are making a difference in human suffering by heeding Jesus' command to serve our neighbors through healing ministries.

Examples of our Outreach programs are the Columbarium and Bourne Hall (serving 700 different community meetings annually), as well as orphan relief projects in Afghanistan and Africa.
